a. American Recover Relief Act

Mayor Pralle addressed City Council the total funds that will be received will be \$151403.19 in two waves. The first half of the funds has to be used by December 31, 2021. This can be used for Employee Pay water or sewer infrastructure or broadband. Mayor Pralle is opposed to using for employee pay being as it's a one-time thing that we wouldn't be able to keep doing. I think the best use of the funds would be for the water tower. It needs painted inside and out estimated at \$130,000. This would also help with the repairs. With the growth of the City we will eventually need another tower. Mr Pralle is open to other suggestions also.

Matt Ruhnke moved that we use the American Recovery Funds for water infrastructure.
