All of the Bonds shall be dated as of the Dated Date, shall become due in the amounts, on the Stated Maturities, subject to redemption and payment prior to their Stated Maturities as provided in *Article III* hereof. The principal on the Bonds shall be payable on the dates and in the amounts set forth on the Amortization Schedule (which is attached hereto as *Schedule I*), provided that the entire remaining principal payments shall become due and payable on the Interest Payment Date of October 1, 2031.

The Bonds shall bear interest at a rate of 1.490% per annum (computed on the basis of a 360-day year of twelve 30-day months) from the later of the Dated Date or the most recent Interest Payment Date to which interest has been paid on the Interest Payment Dates in the manner set forth in *Section 204* hereof.

If issued as other than as a single certificate with an Amortization Schedule, the Stated Maturities and principal amounts of the Bonds shall be on the dates and in the amounts as set forth in the Amortization Schedule.

Each of the Bonds, as originally issued or issued upon transfer, exchange or substitution, shall be printed in accordance with the format required by the Attorney General of the State and shall be substantially in the form attached hereto as **EXHIBIT A** or as may be required by the Attorney General pursuant to the Notice of Systems of Registration for Kansas Municipal Bonds, 2 Kan. The interest payable on each Bond on any Interest Payment Date shall be paid to the Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Owner; or (b) by electronic transfer to such Owner upon written notice given to the Bond Registrar by such Owner, not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank ABA routing number and account number to which such Owner wishes to have such transfer directed.

of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Bond Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution. The Issuer shall pay the fees and expenses of the Bond Registrar for the registration, transfer and exchange of Bonds provided for by this Bond Resolution and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of the Bonds. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Code § 3406, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Bonds.

The Issuer and the Bond Registrar shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to *Article III* hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay

Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to this *Article II*.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute Owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Bond Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be executed for and on behalf of the Issuer by the manual, electronic or facsimile signature of the Mayor, attested by the manual, electronic or facsimile signature of the Clerk, and the seal of the Issuer shall be affixed thereto or imprinted thereon. The Bonds shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual, electronic or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified, and when duly executed, to deliver the Bonds to the Bond Registrar for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as *EXHIBIT A* hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar shall deliver the Bonds to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of

any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds previously held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 211. Sale of the Bonds – Bond Purchase Agreement. The Mayor is hereby authorized to enter into the Bond Purchase Agreement between the Issuer and the Purchaser in substantially the form submitted to the Governing Body concurrently with the adoption of this Resolution, with such changes therein as shall be approved by the Mayor, such officer's signature thereon being conclusive evidence of the approval thereof. Pursuant to the Bond Purchase Agreement, the Issuer agrees to sell the Bonds to the Purchaser for the Purchase Price, upon the terms and conditions set forth therein.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, Bonds (including installments of principal set forth on the Amortization Schedule) may be called for redemption and payment prior to the Stated Maturity on October 1, 2029, and thereafter, as a whole or in part (selection of principal installments and the amounts to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Section 302. Selection of Bonds to be Redeemed.

Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds, the Owner of a single certificate with Amortization Schedule need not submit such certificate for re-registration. In the case of a partial redemption of any other Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption.

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar and the State Treasurer. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of

said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as previously provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of

obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax; Transfer to Debt Service Account. The Governing Body shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be transferred to the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF BOND PROCEEDS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Bonds, there shall be created within the Treasury of the Issuer the following Funds and Accounts:

- (a) Improvement Fund for General Obligation Bonds, Series 2021-A.
- (b) Redemption Fund for Refunded Bonds.
- (c) Debt Service Account for General Obligation Bonds, Series 2021-A (within the Bond and Interest Fund).

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Bond Resolution so long as the Bonds are Outstanding.

Section 502. Deposit of Bond Proceeds. The net proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds as follows:

- (a) An amount necessary to pay the costs of refunding the Refunded Bonds shall be deposited into the Redemption Fund.
- (b) The remaining balance of the proceeds derived from the sale of the Bonds shall be deposited into the Improvement Fund.

Section 503. Application of Moneys in the Improvement Fund. Moneys in the Improvement Fund shall be used for the sole purpose of: (a) paying the costs of the Improvements, in accordance with the plans and specifications therefor approved by the Governing Body and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable and approved by the Governing Body; and (b) paying Costs of Issuance.

Withdrawals from the Improvement Fund shall be made only when authorized by the Governing Body. Each authorization for costs of the Improvements shall be supported by a certificate executed by the Issuer's Clerk (or designate) stating that such payment is being made for a purpose within the scope of this Bond Resolution and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or service being paid for or, if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof. Authorizations for withdrawals for other authorized purposes shall be supported by a certificate executed by the Issuer's Clerk (or designate) stating that such payment is being made for a purpose within the scope of this Bond Resolution.

Upon completion of the Improvements, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

Section 504. Substitution of Improvements; Reallocation of Proceeds.

(a) The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Bonds provided the following conditions are met: (1) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the Governing Body in accordance with the laws of the State; (2) a resolution or ordinance authorizing the use of the proceeds of the Bonds to pay the Financeable Costs of the Substitute Improvement has been duly adopted by the Governing Body pursuant to this Section, (3) the Attorney General of the State has approved the amendment made by such resolution or ordinance to the transcript of proceedings for the Bonds to include the Substitute Improvements; and (4) the use of the proceeds of the Bonds to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax-exempt status of the Bonds under State or federal law.

(b) The Issuer may reallocate expenditure of Bond proceeds among all Improvements financed by the Bonds; provided the following conditions are met: (1) the reallocation is approved by the Governing Body; (2) the reallocation shall not cause the proceeds of the Bonds allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not adversely affect the tax-exempt status of the Bonds under State or federal law.

Section 505. Application of Moneys in the Redemption Fund. Moneys in the Redemption Fund shall be paid and transferred to the Refunded Bonds Paying Agent, with irrevocable instructions to apply such amount to the payment of the Refunded Bonds on the Refunded Bonds Redemption Date. The Clerk is authorized and instructed to provide appropriate notice of redemption in accordance with the Refunded Bonds Resolution authorizing the issuance of such Refunded Bonds. Any moneys remaining in the Redemption Fund not needed to retire the Refunded Bonds shall be transferred to the Debt Service Account.

Section 506. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the Bonds shall be transferred and paid into the Bond and Interest Fund.

Section 507. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States with such an entity that has a main or branch office located in the county in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account other than the Redemption Fund may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may, at the discretion of the Issuer, be credited to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with *Article III* hereof. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE

Section 901. Exempt from Disclosure. The Issuer has not prepared an official statement or other offering document relating to the Bonds and is relying on exemption to provide and disseminate such information contained in Section (d)(1) of the SEC Rule. In furtherance of such exemption, the Issuer certifies that: (a) the Purchaser has certified that the Bonds are being issued in denominations of \$100,000 or more; and (b) the Bonds are being sold to no more than thirty-five persons, each of whom the Purchaser reasonably believes: (1) has the knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the prospective investment and (2) is not purchasing for more than one account or with a view to distributing the Bonds.

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the Governing Body shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by ordinance or resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by ordinance or resolution duly adopted by the Governing Body at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Bonds among Improvements, to provide for Substitute Improvements, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the Governing Body amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental ordinance or resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance or resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the ordinance or resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1003. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been

pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1004. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1005. Electronic Transactions. The transactions described in this Bond Resolution may be conducted, and documents related to the Bonds may be sent, received, executed, and stored, by electronic means or transmissions. Copies, telecopies, electronic files and other reproductions of original executed documents (or documents executed by electronic means or transmissions) shall be deemed to be authentic and valid counterparts of such documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 1006. Further Authority.
